

HIGH FREQUENCY WORDS

In addition to these lists, words related to student interests (e.g., X-Box, Barbie) or surroundings such as names of family members, friends, familiar places (e.g., McDonald's, Bi-Lo) or things (e.g., Cheerios, HiC) should be included in a student's high-frequency or sight word vocabulary.

These word lists should not be memorized or taught in isolation. High-frequency or sight words are developed through extensive exposure to texts and a student's surroundings. High-frequency words should be recognized and read automatically. Students should remember and use the high frequency words previously learned.
